### 3. Beneficiary Details

All monies collected by authorised retailers/ agencies pursuant to the installation of the Prepaid Sub Electricity/ Water meters, shall, after deduction of the commissions/ service charges accruing to Prepaid CityMeters, be paid into the nominated beneficiary account, the particulars of which are as follows:

Account Holder																												
Bank Name																												
Account Type	Cheque <input type="checkbox"/>														Savings <input type="checkbox"/>													
Account Number																												
Branch Name																												
Branch Code								Pay Reference																				

Please ensure that you give the **correct account number** and branch clearing code as we cannot undo, recall, fix or ask for repayment after acting on the payment instruction. We do not check that the account number given by you belongs to the beneficiary named in this instruction. Please note it takes two business days for payments to reach other banks. We are also not responsible for other banks failing to process the transaction on the day they receive it.

Should the Applicant wish to change these details, he/she shall notify the office of Prepaid CityMeters at 0116740953 or at, [sales@prepaidcitymeters.co.za](mailto:sales@prepaidcitymeters.co.za) before the 25<sup>th</sup> of any particular month, for implementation in the next month.

## 5. Terms and Conditions

Email Address: [sales@prepaidcitymeters.co.za](mailto:sales@prepaidcitymeters.co.za)

1. Customer will be billed after indicating acceptance of this quote. Tax Invoice will be issued upon receipt of proof of payment.

2. Quote is only valid for 7 days. This quote is payable upon receipt.

Please email the signed price quote to the email address above.

3. Any electrical work must be coordinated with our offices once payment has been received.

Payment of this quotation concludes this as a legal binding purchase order.

4. Only EFT payment accepted. NO CHEQUES or CASH. INSTALLERS are STRICTLY prohibited from accepting any form of payment onsite whatsoever.

5. All electrical work is done to SANS 10142 (SABS 0412) standards, however, CoC (Certificate of Compliance) is not included in this quotation unless explicitly specified in the quotation. You are advised that following any electrical installation and repairs you must get an updated Certificate of Compliance (CoC). You are free to choose any certified electrician to give you an updated certificate of compliance.

6. Should installer not be able to access the premises and / or not be able to install meter/s due to no fault of installer; then you will be charged an additional callout fee per each callout +R600 per every hour that the installer has to wait without ability to proceed with installation.

7. For safety reasons, electricity and water meter installations are prohibited after 17:00. Weekend installations are booked at sole discretion of Prepaid CityMeters. Consideration of weekend installations will be only for the Gauteng area and charged at an extra 15% of total installation quotation.

8. Triple Tamper Detection: All integrated keypad meters are by DEFAULT Tamper Detection in addition to which we provide Security Seals and Software Tamper Alerts for further tamper detection and risk protection. We only cater for active/ constant metering.

**9. Documents required before meters are sent out or installed:**

1. Copy of ID – Fraud prevention, and to know who your customers are.
2. Bank confirmation letter - To make sure payments are made to the correct bank account,
3. Latest Municipal account - In order to add the correct tariff rate to the meter.

Please send the above with this application back to us as well as your signed quotation in order to proceed with your application.
